<h1>Project 1</h1>

<h2>GENZ SLANG DECODE</h2>

<p>GenZ Hangman Game" is an engaging project tailored to Generation Z, blending traditional gaming with contemporary culture. It challenges players to guess slang terms and pop culture references unique to GenZ, fostering entertainment and cultural immersion. With its interactive and educational approach, the game serves as a fun platform for exploring language and social trends among today's youth.</p>

<h1>Project 2</h1>

<h2>HANGMAN</h2>

<p>The Hangman Game is a classic word-guessing game, where players try to uncover a hidden word letter by letter before running out of guesses. It offers a fun and interactive way to test vocabulary and word-solving skills. With its simplicity and universal appeal, the Hangman Game is a timeless favorite for all ages.</p>

<h1>Project 3</h1>

<h2>PHARMACY MANAGMENT SYSTEM</h2>

<p>The Pharmacy Management System is a comprehensive software solution designed to streamline operations within pharmacies. It facilitates tasks such as inventory management, prescription processing, and patient records management, enhancing efficiency and accuracy. With its user-friendly interface and robust features, the system optimizes workflow and improves patient care within pharmacy settings.</p>

<h2>PORTFOLIO</h2>

<p>

A portfolio is a condensed display of an individual's professional accomplishments and abilities. It serves as a comprehensive snapshot, highlighting skills, projects, and achievements to potential employers or clients. Through concise presentation, it aims to make a compelling case for the individual's expertise and suitability for specific roles or projects.</p>

```

<p>Hello, I'm Soumya Mudalgi, a diligent student currently undertaking a Bachelor's degree in Computer Science and Engineering. Driven by a fervent desire for knowledge and personal advancement, I am deeply committed to leveraging technology to address contemporary challenges. Beyond academia, I find solace and inspiration in the realm of music. I look forward to establishing connections and exploring avenues for collaboration and growth.</p>
